1. INTRODUCTION

1.1 The ATFM Task Force, according to its Terms of Reference, is tasked to follow-up on the implementation process related to ATFM and to present to the MIDANPIRG the progress made, achievement, and challenges being encountered.

1.2 The Twentieth Meeting of the Middle East Air Navigation Planning and Implementation Regional Group and the Tenth Meeting of the Regional Aviation Safety Group-Middle East (MIDANPIRG/20 & RASG-MID/10) were held in Muscat, Oman, from 14 to 17 May 2023.

2. DISCUSSION

2.1 The MIDANPIRG/20 meeting discussed and appreciated the work of the ATFM Task Force. In particular the organization of the MID ATFM Implementation Workshop (6 – 7 February 2023) to foster the ATFM implementation in the MID Region. The Workshop provided an opportunity to support the MID States in taking the proper actions required for implementing Phase IA of the MID ATFM Implementation Plan within the agreed timelines. Additionally, the Workshop was considered a venue for States and international Organizations to share their experience and challenges among the MID ATFM TF members.

2.2 Furthermore, the MIDANPIRG/20 encouraged the MID States to use the information presented in the Workshop to support the implementation of Phase 1A, and report progress or challenges to the next TF meeting. The timeline of Phase IA implementation according to the MID ATFM Plan is agreed to be 31 December 2023.

2.3 It was highlighted that the results of the last conducted ATFM implementation survey (on 2018) are not representing the latest developments by the States, based on the updates received by the States; the ATFM TF was tasked to develop and circulate a new survey, including the activities of Phase IA of the MID ATFM Implementation Plan, to the MID States to enable the TF to monitor the actual level of implementation and provide the necessary support, as required.

3. ACTION BY THE MEETING

3.1 The meeting is invited to note the follow-up actions related to the MID ATFM.
