24 January 2023

**Subject: ICAO MID Aviation Data and Analysis Dashboards Webinar
(20 February 2023)**

Action required: Reply not later than 10 February 2023

Sir,

I have the honour to invite your Administration/Organization to attend the ICAO MID Aviation Data and Analysis dashboards Webinar, which will be held on **Monday 20 February 2023 from 14:00 to 16:00 UTC**.

The objective of the Webinar is to bring together national stakeholders (Regulators, Air Navigation Service Providers - ANSPs, Aerodrome Operators, Aircraft Operators) to review and gather feedback on the ICAO dashboards, which are part of the digital transformation and the implementation of electronic data management and business intelligence project of the Organization that has developed advanced dashboards for monitoring and assessing key trends in air transport.

The ICAO dashboards encompass a wide array of analytics ranging from operations to financials, including evolution of passenger and cargo traffic, aircraft fleet usage, traffic by Flight Information Region (FIR), and revenue impact on airlines, airports and air navigation services providers (ANSPs). They allow for easy visualization, comparison and analysis at different levels of granularity, i.e. by State, region, route group, etc. Information contained in the dashboards is continuously updated and can be downloaded for further analysis as per the needs of each Member State. These dashboards are designed to provide States with detailed insights into the aviation industry, and serve as powerful support tools for enhanced data processing and visualization.

The Work Programme of the Webinar is at **Attachment A**.

I would like to take this opportunity to refer to the State Letter Ref. EC 7/1.7 – 22/67 dated 5 July 2022; in order for your Administration to receive the license to access the ICAO Aviation Data Analysis Dashboards, you were requested to submit the name and email address of your State focal point by email to cads@icao.int. Kindly, provide ICAO HQ with the name and contact details of your designated focal point, in case you have not yet done so.

../.

The attendance of your designated focal point, along with other experts from both the regulator and service providers' side, who are actively involved in the economic planning, analysis and policy making, is strongly encouraged.

I would appreciate if you could, as soon as possible and preferably not later than **10 February 2023**, confirm the participation of your Administration/Organization by exchange of correspondence with the ICAO MID Regional Office at icaomid@icao.int by indicating the name(s) and contact details of your delegate(s), using the Nomination Form provided at **Attachment B**.

Accept, Sir, the assurances of my highest consideration.

Mohamed Abubaker Farea
Regional Director
ICAO Middle East Office
