Update on the ICAO IMP/WG-A activity

AIM Global Implementation Support

Doc 9991 → PANS-TRAINING

Pfa PANS-TRG, Doc 9868 drafted to be presented to
IMP

English proficiency for AIS personnel.

Digital Data Set Services

FG-DDS progress report guidance material for the ICAO Digital data sets, except for Chapter 4 – Data set services

Due to the level of complexity IFP Data sets , Part IV of Doc 8126 will be presented with a reserved section

The group lifetime extended, with objectives:

- support the ICAO Secretariat in case of issue detected when including the data set guidance in the DOC 8126;
- work with the Charting FG on the topic of charts that could be replaced by digital data sets.

NOTAM Replacement System

NOTAM Replacement System Focus Group FG-NRS

NOTAM System Replacement : DORIS (Digital Operational Reporting Information System)

(OpsCon) document – drafted

Audience of OpsCon is the IMP, IMP/WG-A and other relevant ICAO Panels

Following endorsement and refinement, OpsCon will be used to drive updates to provisions in Annex 15 and PANS-AIM

WG-A is expected to deliver the document accompanied by PfAs that supports the replacement system.

Aeronautical Chart Review

AERONAUTICAL CHART REVIEW (FG-AC)

FG-AC finalized the review of Chapters 3 and 4 A4

Aerodrome Obstacle Chart — ICAO Type A and B could potentially be replaced by data sets.

IAP charts require ARINC data and that AIXM alone may not be sufficient information that the State must supply.

Adjustment to ICAO ASBU – DAIM

- B1/1 – Provision of quality-assured aeronautical data and information supported the change to the level of maturity to ‘ready for implementation’.
- B2/3 – Aeronautical information to support higher airspace operations supported to move this element to Block 4.
- B2/4 – Aeronautical information requirements tailored to UTM supported to change ‘UTM’ to ‘lower airspace operations’ in the name, updating the maturity level to ‘Standardization’ and moving this element to Block 3.
- B2/5 – NOTAM replacement supported moving this element to Block 3

The meeting is invited to :

- a) follow-up and keep abreast of the Global activities related to AIM; and
- b) discuss any relevant matters as appropriate.

Thank You
