

Table 8-1

MID REGION - PLANNED ATM ENHANCEMENTS BY TRAFFIC FLOW AREA		95	96	97	98	99	00	01	02	03	04	05	06	07	08	09	10
AR-1 (Northern Arabian Peninsula, Near East and Northern Egypt)	Region	Longitudinal separation reduction to 80 NM RNAV															
	States	Bahrain															
		Egypt															
		Iraq															
		Israel															
		Jordan															
		Kuwait															
		Lebanon															
		Oman															
		Qatar															
		Saudi Arabia															
		Syrian Arab Republic															
		United Arab Emirates															
	Region	Longitudinal separation reduction to 50 NM/RNAV procedures (RNP 10)															
States	Bahrain																
	Egypt																
	Iraq																
	Israel																
	Jordan																
	Kuwait																
	Lebanon																
	Oman																
	Qatar																
	Saudi Arabia																
	Syrian Arab Republic																
	United Arab Emirates																
Region	Longitudinal separation reduction to 30 NM (RNP 5)																
States	Bahrain																
	Egypt																
	Iraq																
	Israel																
	Jordan																
	Kuwait																
	Lebanon																
	Oman																
	Qatar																
	Saudi Arabia																
	Syrian Arab Republic																
	United Arab Emirates																
Region	Lateral Separation Reduction to 18 NM (RNP 5)																
States	Bahrain																
	Egypt																
	Iraq
