Objective of Q & A Sessions on Day 1:

Understanding the latest ICAO technical work on LTAG

- Participants to fully understand the contents of the ICAO LTAG report, through a Q&A sessions to clarify questions on various topics (technology, operations, fuels, scenarios and costs)

- **Q & A Sessions will be conducted ‘topic by topic’ in 2 parts**, separated by a break (5 mins) in between
 - Part I (40 mins) will address questions on the LTAG report overview, and LTAG scenarios and costs – refer to LTAG Report presentation up to Slide #30
 - Part II (40 mins) will address questions on the LTAG inputs from technology, operations and fuels – refer to LTAG Report presentation from Slide #31
- The two Nominated representatives by State and organization may provide questions **verbally** via the raise hand function, or **in writing** via the **Q&A function**. 
- If you use the Zoom Q&A function please indicate **#Overview, #Scenarios, #costs, #technology, #operations, #fuels** at the beginning of your question.
- Secretariat and/or the CAEP LTAG experts will answer the questions

Some “ground rules” for the Q&A session

- **All nominated representatives are encouraged to provide their questions**
- **Nominated representatives should intervene for maximum of 2 minutes at a time to ask their question**
- **There are no right or wrong questions, and each nominated representative should be free to write/speak without fear or hesitation**
