### Summary

This Conference aims to promote an open dialogue between Member States and stakeholders in the AFI and MID Regions, and will focus on priority setting at the Regional and State levels in order to address common aviation security challenges, as well as to meet the goals and targets established by the Global Aviation Security Plan (GASeP).

The Conference will comprise two parts: a Senior Officials Meeting and the Ministerial Conference; both open to all participants and invitees.

#### Part I: Senior Officials Meeting

**Scope:** The Senior Officials Meeting will develop a draft Regional Roadmap, taking into account the following: aviation security outcomes of the 39th ICAO Assembly; goals and targets of the GASeP; aviation security challenges in the AFI and MID Regions; and regional initiatives to strengthen Global Aviation Security.

**Objective:** The Meeting will produce a draft Regional Roadmap for adoption by Ministers.

#### Part II: Ministerial Conference

**Scope:** The Ministerial Conference will reaffirm the need to enhance implementation of international aviation security standards and measures in order to address Global Aviation Security matters from a regional perspective.

**Objectives:** The Ministerial Conference will:

- consider regional commitments set forth in a draft Regional Roadmap; and
- adopt the Regional Roadmap.
