

Matthias BORGMEIER

EASA Manager Technical Cooperation Programmes / International Cooperation Department

Matthias Borgmeier, a German national, has spent most of his professional life as a Flight Safety Inspector in General Aviation. As a member of different national and European-wide working groups and organisations he managed a number of projects dealing with licensing and operational issues and with the improvement of flight safety.

Matthias is a pilot for aeroplanes, gliders and balloons and holds an instructor rating and examiner authorisation. He is married and father of two sons.
