

## **Richard BROEKMAN**

**SENIOR VICE PRESIDENT GLOBAL SALES AND COMMERCIAL DEVELOPMENT, ATLAS AIR**

---

Richard Broekman leads global sales and strategic development for ACMI and CMI products as well as the commercial development and support activities for revenue and capacity management throughout the Atlas fleet.

Mr. Broekman assumed his current position in January 2018, after having served as Vice President Global Sales and Commercial Development from 2014 to 2017. He joined the company in 2004 and held positions with increasing responsibilities in Finance and Business Development. Mr. Broekman and his team have been instrumental in optimizing our aircraft utilization and managing our global charter fleet.

Mr. Broekman holds both Bachelor of Science and a Master of Science degrees in Industrial Engineering and Management Science from the University of Groningen in the Netherlands.
