

Vote of Thanks

Good morning everyone,

I feel privileged to speak on behalf of all the delegates to ICAN2015 for the vote of thanks.

First, we would like to express our sincere thanks to our Host, the Turkish Government and the Directorate General of Civil Aviation, for their warm welcome and hospitality, for the excellent facilities for our meetings, and for all the logistic arrangements and services that make our conference going smoothly and our stay pleasant. We congratulate you on the successful hosting of this Event, not for once but for a second time!

We would also like to thank ICAO for organizing this Event, which improves year by year. ICAN is a cost effective facility which enables us to accomplish numerous negotiations in such a way that would otherwise be hard to achieve. The growing number of participation is a clear evidence of its success. We commend ICAO and look forward to the next one. We wish to thank particularly the staff of the ICAO Team who work so hard and so efficiently in arranging the hundreds of our meetings, and for their kind help whenever we need. It is their dedication and professionalism that makes ICAN function so well. You have done a great job! We appreciate it very much.

Finally, we would like to thank the management and staff of the Conference services, the Mardan Palace hotel and all others working for the Event, in the front line and behind the scenes. Thank you for your support and excellent service. Our thanks also go to the sponsors and exhibitors for your impressive products and services, and for all the delicious gala dinners and wonderful entertainments.

We will leave Antalya with a memorable experience, for a successful Event, the beautiful city, the rich Turkish culture and hospital people. We will come back again!

Thank you.
