ICAO 2022 INNOVATION FAIR, MONTREAL, CANADA, 24 TO 26 SEPTEMBER 2022

1. Subsequent to State Letter M 18/1.1 dated 2 June 2022, this Bulletin provides additional practical information on the ICAO 2022 Innovation Fair, on the theme “*Innovation for Enhanced Resilience in International Civil Aviation*”. The event will be held from 24 to 26 September 2022, immediately prior to the 41st Session of the Assembly.
2. The Fair will be held in hybrid format. It will feature a series of panels during which representatives of States, international organizations, industry, private sector, academia, United Nations and non-governmental organizations (NGOs) will exchange on the challenges, benefits and opportunities presented by innovations, as well as on the experiences with their uptake and implementation. The list of confirmed speakers is accessible here: <https://www.icao.int/Meetings/InnovationFair2022/Pages/speakers-list.aspx>.
3. An in-person exhibition at ICAO Headquarters will showcase a range of new technologies and ideas that are being applied, or have the potential to be applied, to aviation. <https://www.icao.int/Meetings/InnovationFair2022/Pages/Sponsorship-and-Exhibition.aspx>.
4. The Fair programme of activities will also integrate SkyTalks, which is an opportunity for States, the industry and ICAO to provide targeted information on support to ICAO Member States in progressing ICAO’s Strategic Objectives (Safety, Air Navigation Capacity and Efficiency, Security and Facilitation, Economic Development, and Environmental Protection).
5. A global competition under the theme of “Innovation and Resilience in aviation” will be launched on 26 September. The competition enable the submission of concepts and ideas that can support the resilient operations of the aviation sector, across ICAO Strategic Objectives.
6. For the conditions of entry into Canada, please kindly refer to EB 2022/19 and the following website <https://www.icao.int/Meetings/InnovationFair2022/Pages/Canadian-Visa-and-Entry-Information-.aspx>.
