

# ICAO Symposium on Liberalization of Air Transport in Asia/Pacific

(Shanghai, China, 25 to 27 May 2005)

## DETAILS

**Date** 25 to 27 May 2005

**Place** Shanghai, China

**Opening** Wednesday, 25 May 2005, 0930 hours

**Objective** To build on the outcome of the fifth Worldwide Air Transport Conference (ATConf/5) by focussing on the practical aspects of economic liberalization, exchanging views and experiences of liberalization, examining national and regional concerns and problems and considering different options and approaches to liberalization.

**Invited** **States** which are accredited to ICAO's Asia and Pacific Office

### Organizations:

Airports Council International (ACI)  
Economic and Social Commission for Asia and the Pacific (ESCAP)  
International Air Transport Association (IATA)  
Asia/Pacific Economic Cooperation (APEC)  
South Pacific Forum  
Asian Development Bank

### Air transport industry and other interested parties:

Airlines, airports and other air transport services providers from ICAO Contracting States, financial institutions, aviation consultants, academics, etc.

**Who should attend?** For States, senior government officials responsible for policy making and, in particular, officials charged with negotiating air services agreements and air transport relations with other States.

For the industry (national air carriers, airports and other air transport service providers), senior executives, managers and/or officials who deal with government affairs, air services agreements, aeropolitical relations and economic regulatory issues.

**Attendance fee** **Government officials** nominated by the State (from the ministry or authority responsible for civil aviation):

Free of charge for up to two delegates, each additional delegate: U.S.\$395

	Before 25 March	After 25 March
<b>IATA/ACI Members &amp; Partners:</b>	U.S.\$ 715	U.S.\$ 915
<b>Developing Nations Airlines:</b>	U.S.\$ 575	U.S.\$ 775
<b>Others:</b>	U.S.\$ 995	U.S.\$ 1 195
<b>Educational institution and academics:</b>	U.S.\$ 395
