

# ICAO Regional Seminar on States' Action Plans and CORSIA Questionnaire for State Participants<sup>1</sup>

Participant's Name: \_\_\_\_\_ State: \_\_\_\_\_

*Please tick the corresponding check boxes for your answers to the following questions:*

1. Does your State have a "State Action Plan on CO<sub>2</sub> Emissions Reduction Activities for International Aviation"?

Yes       No       Don't Know

2. Has your State already experienced the implementation of a Monitoring, Reporting and Verification (MRV) system that includes aviation CO<sub>2</sub> emissions?

Yes       No       Don't Know

If answered yes,

- Related to the State Action Plan
- Related to ICAO's Aviation Environmental System (AES)
- Related to an existing market-based measure in your State or region

If you check this answer: Which market-based measure?

\_\_\_\_\_

- Others (please specify): \_\_\_\_\_
- \_\_\_\_\_

3. If answered yes to Question 2: Does your State have means in place to record the following information?

- a) monitored and verified aviation CO<sub>2</sub> emissions?

Yes       No       Don't Know

- b) transactions of emissions units?

Yes       No       Don't Know

4. Please provide any other comments, in particular specific assistance needs for CORSIA implementation in your States:

<sup>1</sup> Responses to this questionnaire by States will be used by the ICAO Secretariat to assess the levels of States' experience and readiness in the monitoring, reporting and verification of aviation CO<sub>2</sub> emissions, and better plan the ICAO's capacity building and assistance to States for the CORSIA implementation.
