#### Hilton Booking Notes

- ✓ Reservation can be made through the reservation system (upper URL) from March 30 to April 5 during the workshop period.
- ✓ You can move to the next screen by filling only the red box part of the screen

The screenshot shows the Hilton booking interface for Millennium Seoul Hilton. The page is titled 'Step 1 of 5'. The main content area is divided into two columns. The left column contains the 'Travel dates' section, which includes fields for 'Arrival' (28 Mar 2019, Thursday) and 'Departure' (07 Apr 2019, Sunday), resulting in a '10 Night Stay'. Below this is a checkbox for 'Use flexible dates'. The 'Number of Rooms and Guests' section has dropdown menus for 'Rooms' (1), 'Adults (18+)' (1), and 'Children (0-17)' (0). A red box highlights these two sections, with a red arrow pointing to a 'Continue' button below it. The right column is titled 'Special Accounts and Rates (optional)' and includes a checked checkbox for 'Korea Transportation', along with input fields for 'Group Code' and 'Corporate Account'. There are also several unchecked checkboxes for 'Hilton Honors Points', 'AAA Rate \*', 'AARP Rate \*', 'Senior Rate \*', 'Government / Military Rates \*', and 'Travel Agent'. A note at the bottom of this section states '\* ID required at check-in'. At the bottom of the page, there is a 'Need Help?' link and several other links for 'Online Reservation Assistance', 'Customer Support', 'Hilton Honors Discount Terms & Conditions', 'Global Privacy Statement', 'Cookies Statement', 'Site Usage Agreement', and 'AdChoices'.

#### 4. Visa Requirements

Visa is a basic requirement for entry and in principle, a foreigner wishing to enter Korea must have a visa. However, a person meeting any one of the following qualification may enter Korean without a visa.

\*Those granted permission or immunity for reentry that enters before the expiration date.

\*Nationals of a country that signed visa waiver agreements with Republic of Korea and are thereby subject of exemption.

\*Those entering for the interest of international goodwill, travel, or purpose beneficial to Korea who have been granted permitted to enter by presidential decree.

\*Those that departed with a refugee travel certification and entering prior to the expiration date.

\*For detailed information on a foreigner's entry without a visa, please visit the website

#### 5. Climate

The average April temperature last year in Seoul was 11.8~12.6°C. However, the gap between the temperature of the morning and the afternoon is somewhat high. In the afternoon, the temperature reaches over 20°C.

## 6. Electricity

Main voltage in Korea is 220V 60Hz. The plugs in Korea have two round holes. It looks like a nose of the pig.

## 7. Currency & Taxes

The national currency is the Korean Won(KRW). The estimated exchange rate is US\$ 1 equals 1,126won. ATMs are located throughout the Seoul and major international credit cards are widely accepted as means of payment.

Retail prices include sales tax(10 percent). Gratuities/tipping is generally not required.

## 8. Quarantine

Korea has strict quarantine rules in order to keep out pests and diseases that could affect plant, animal and human health. You will be given an incoming passenger card on the plane, on which you must declare any food or goods of plant or animal origin. Expect luggage to be x-rayed on arrival. Any items of concerns are further inspected, treated and if necessary confiscated and destroyed. Breaches of quarantine restrictions are treated seriously and can result in large fines.
