Problem ➔ **Solution** ➔ **Technology**

Canadian Bank Note Company, Ltd.

CBN's CARICOM Clients

CBN is the secure document and system supplier of choice for the CARICOM region.

T&T

- 2001 - CBN began supplying civil registry certificates.
- 2006 - CBN was chosen to implement a fully secure solution for eBorder, passports and passport issuance, permit issuance, and facial recognition.
- 2012 - T&T extended this contract for an additional five years

Suriname

- 2004 - CBN developed the first CARICOM passport for Suriname, and we continue to maintain the passport issuing system.
- 2004 - CBN was honoured to design and supply the new series of banknotes.
- 2008 - CBN began supplying excise stamps to the Ministry of Finance. This program accounts for over US \$2 million dollars of revenue.
- 2012 - CBN deployed a Border Control System.

St. Kitts

- 2005 - CBN was chosen to supply passports and deploy a secure passport issuing system.
- 2010 - CBN deployed a Border Control System, as well as the first ePassport solution in the region, for St. Kitts and Nevis.

Grenada

- 2000 - CBN implemented a passport and passport issuing system.
- 2004 - CBN was instrumental in rebuilding the passport office after Hurricane Ivan
- 2005 - CBN entered into a multi-year passport and supply agreement.
- We continue to support the passport system.

CBN's Regional Achievements

Dominica

- 2005 - CBN deployed a passport issuing system for Dominica.
- 2011 - CBN was awarded a contract for the development and implementation of a secure Civil Registry System and Vital Event Certificates.
- 2012 - CBN deployed a Border Control System.
- All systems are full supported by CBN.

Guyana

- 2006 - CBN deployed a passport issuing system and border control system for Guyana.
- 2008 - CBN began supplying the \$20 banknotes.
- 2012 – Guyana extended the passport and border control system for an additional five years.

Jamaica

- 2000 - CBN deployed a passport issuing system for Jamaica and introduced a new, machine readable passport.
- 2012 – CBN upgraded the passports and passport issuing system.
- We continue to supply passports and support the passport system.

St. Lucia

- 2006 - CBN deployed a passport issuing system for St. Lucia.
- 2012 - CBN supplied St. Lucia with a new vital event certificate.
- 2012 – St. Lucia extended the passport contract for an additional five years.
- We continue to supply passports and support the passport system.

CBN's Regional Achievements

Bahamas

- 2011 - CBN was chosen to develop and deploy an excise stamp and track and trace system for the Government of the Bahamas for a period of 7 years.

**Antigua
and
Barbuda**

- 2012 – CBN deployed a laser engraved polycarbonate electoral ID card and issuing system for the Electoral Commission of the Government of Antigua and Barbuda that includes seven years of maintenance and support.

St. Vincent

- 2005 - CBN deployed a passport issuing system for St. Vincent and the Grenadines.
- 2008 - CBN deployed an electoral ID card and issuing system for St. Vincent.
- 2013 – CBN deployed a Border Control System.
- 2013 – CBN was awarded the contract to migrate existing books to ePassport.
- All systems are fully supported by CBN.

CBN's Community Involvement in the Region
