Immigration Department Government of HKSAR

Business challenge

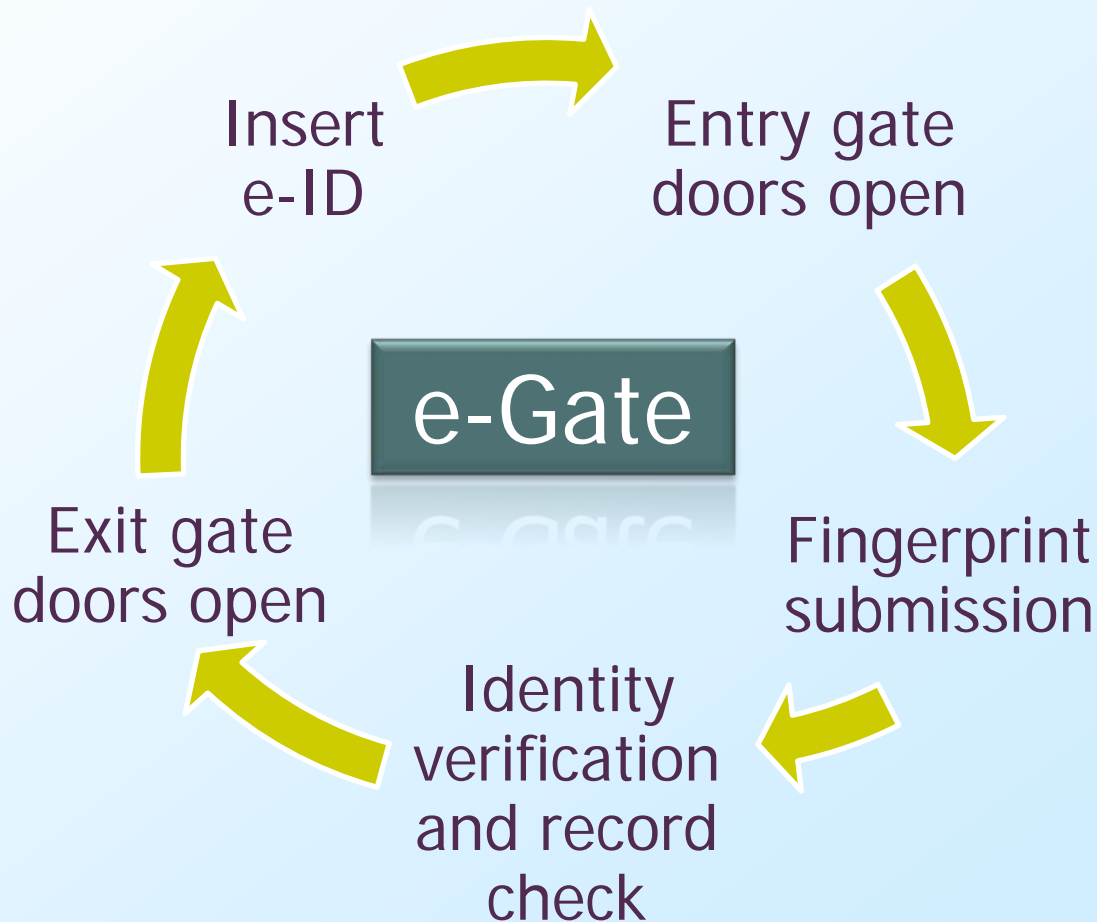

Traffic

(in million)

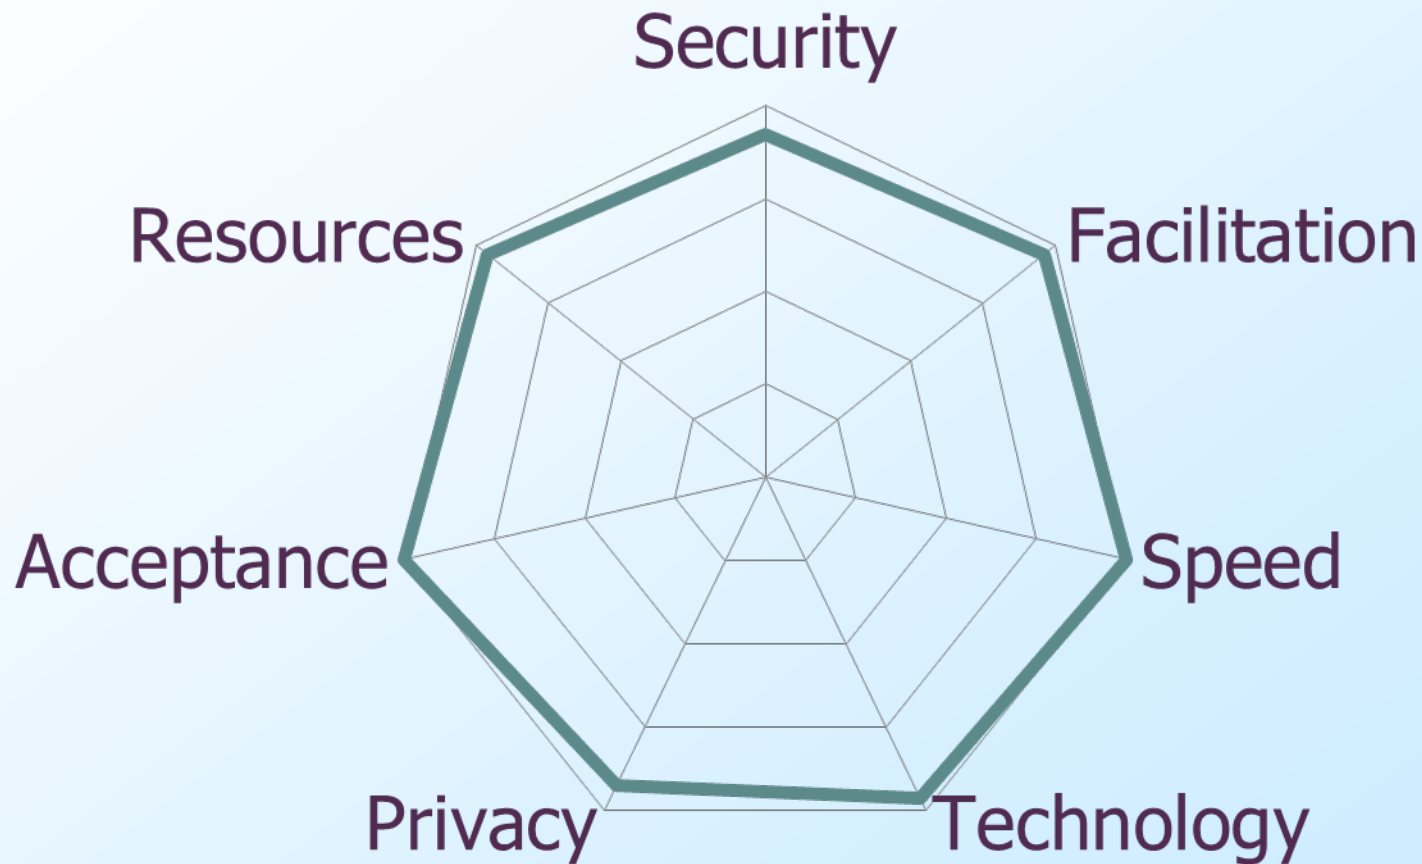

Technologies and workflow

Challenges

Challenges

- Strike balance among security, facilitation and speed
- Appropriate use of technology for privacy protection

Challenges

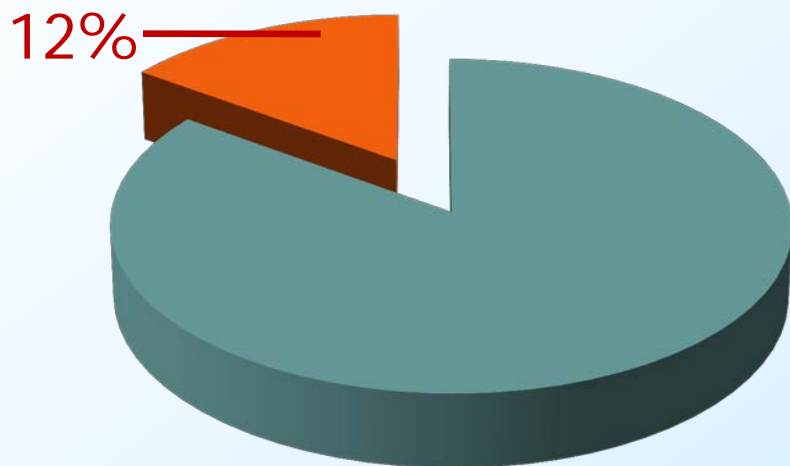

- Propel technology performance
- Attain harmony among technology, passenger acceptance and resource allocation

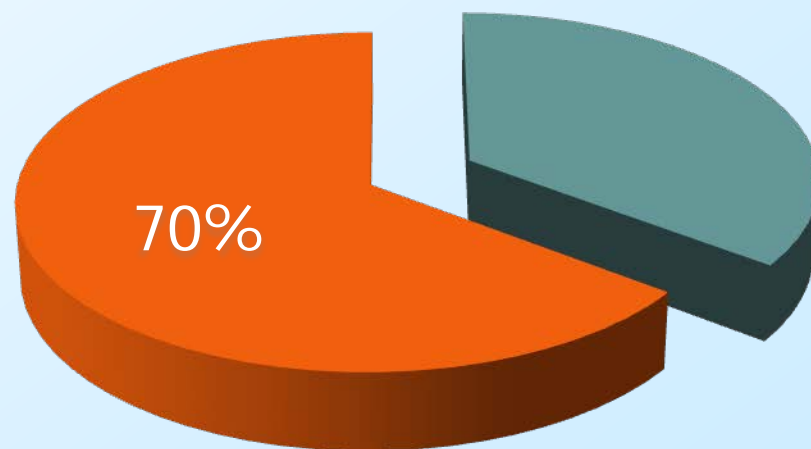

Benefits

Visitor traffic

Year 2012

Resident traffic

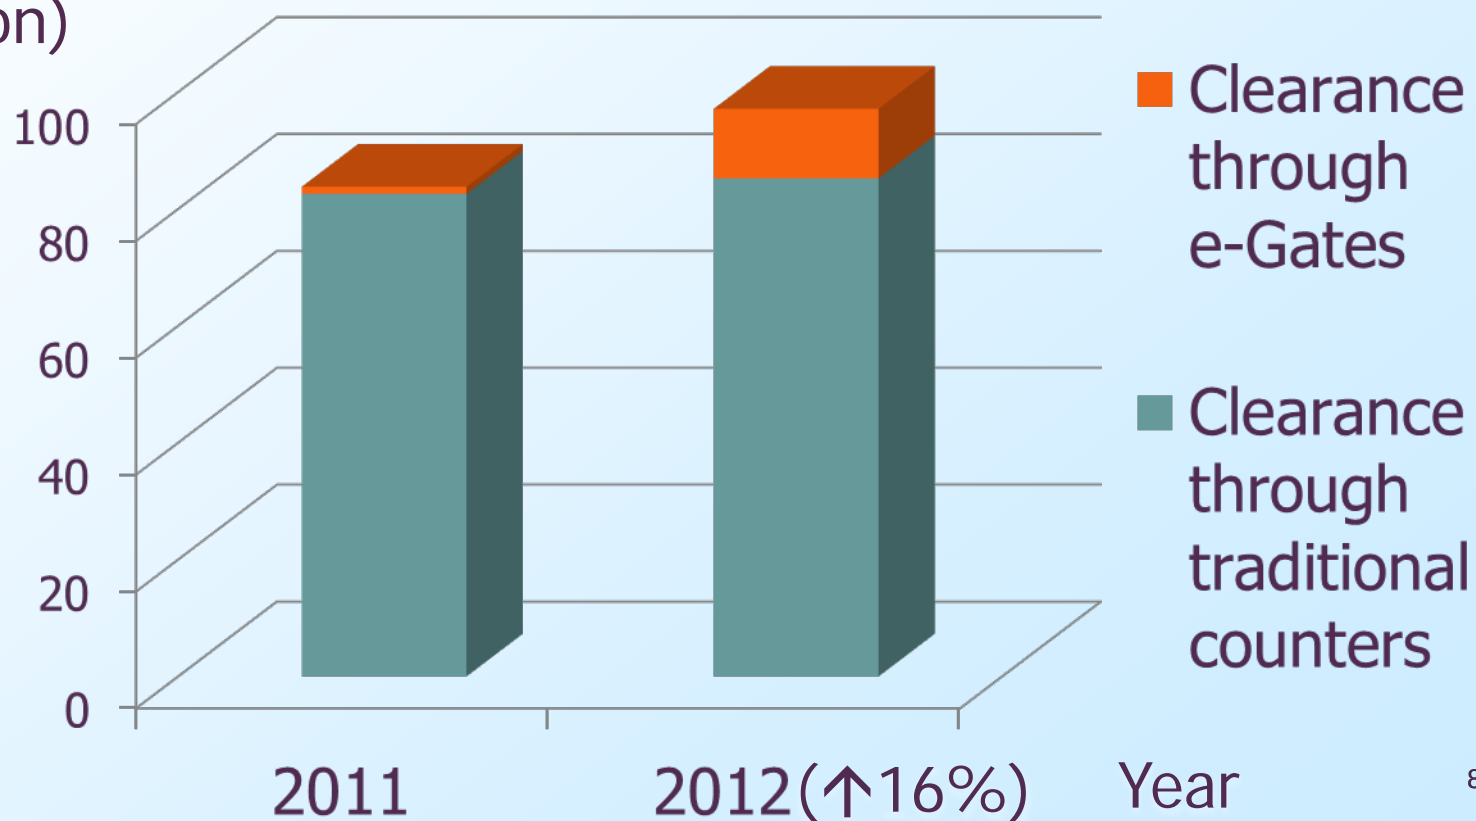

- Clearance through traditional counters
- Clearance through e-Gates

Benefits

Visitor traffic
(in million)

Our roadmap

- Standardization of e-Gates
- Use of e-MRTD for clearance through ABC

Future ABC

- Mutual use of ABC among trusted countries
- International collaboration on standardization of ABC operation

Thank you
