ICAO's Next Generation of Aviation Professionals (NGAP) Programme

Evolution of NGAP in ICAO

Vision

- A global aviation community that has **sufficient competent human resources** to support a safe, secure and sustainable air transportation system.

Mission

- To bring together States, educational institutions, UN and other actors to **attract and educate** the next generation of aviation professionals and **retain** a competent workforce capable of meeting the needs and challenges of the global aviation community into the future.

NGAP: What have we been doing?

- Outreach activities
 - NGAP Global Summit (2017), Global and Regional Symposia;
 - support to Dreams Soar Inc
 - Issue regular NGAP Outreach Newsletters
- Published the *Global and Regional 20-year Forecasts for Pilots, Maintenance Personnel, Air Traffic Controllers* (Doc 9956);
- Developed a Fundamentals of the Air Transport System CBT course.

NGAP: An expanded scope

- a) provide an **internal mechanism for coordinating NGAP activities across ICAO**;
- b) engage with **UN organizations and government bodies** (including the aviation community and education sectors) to promote activities that support the future of aviation personnel needs;
- c) work with **universities and industry** to identify and implement effective strategies to adequately prepare the next generation of aviation professionals; establish aviation as a desirable career choice of the future; and attract high quality students in the necessary numbers to meet the industry's future needs;
- d) interact with the **research** community to develop solutions to address current and future global aviation challenges and to support aviation planning and development; and
- e) develop **tools and provisions** for ICAO Member States and the international civil aviation community that will assist them in implementing effective strategies to attract, educate and retain the next generation of civil aviation professionals.
