Sir/Madam:

As part of the RASG-PA Aviation Safety Training Team (ASST) regular activities programme, I have the honour to invite your administration/organization to participate in the Aviation Safety Seminar, which will be held at the ICAO NACC Regional Office, Mexico City, Mexico, from 14 to 15 January 2015.

The working languages of the seminar will be English and Spanish, and simultaneous interpretation will be provided if sufficient participants of both languages provide timely registration.

RASG-PA has been established as the focal point to ensure harmonization and coordination of aviation safety efforts to reduce identified aviation risks in the North American, Central American, Caribbean, and South American Regions and promote implementation of the resultant safety enhancement initiatives to mitigate aviation safety risks.

RASG-PA has identified and developed training programmes as part of its safety improvement initiatives. Such programmes include conducting Aviation Safety Seminars/Workshops in the Pan American Region that address relevant and current aviation safety issues presented by States, international organizations, industry, and ICAO.
