RASG-PA ACTIVITIES PLAN 2017

(Presented by the Secretariat)

EXECUTIVE SUMMARY

The Regional Aviation Safety Group — Pan America (RASG-PA) develops its annual work programme based on its primary goal to be the focal point to ensure harmonization and coordination of safety efforts aimed at reducing aviation safety risks in the North American, Central American, Caribbean (NAM/CAR) and South American (SAM) Regions and promoting implementation of the resulting safety enhancement initiatives by all stakeholders.

To fulfill its work programme, RASG-PA is dependent on the financial support and in-kind donations of its members. This support is crucial to the advancement of initiatives and projects developed and championed by RASG-PA.

Each year, based on current activities, initiatives, and membership guidance, RASG-PA develops a provisional work programme to provide the necessary guidance and the forum to accomplish its mission.
