Sir/Madam,

I have the honour of inviting your Administration to participate in the *First international forum on new facilitation perspectives within the civil aviation security framework*, to be held in Bogotá, Colombia, from 4 to 6 December 2019, sponsored by the UAEAC (Unidad Administrativa Especial de Aeronáutica Civil) of Colombia.

This international forum will give the possibility to the States of the NAM/CAR/SAM Regions to discuss new technologies and perspectives of air transport facilitation as a means to strengthen the security of international civil aviation. Likewise, it will give the States the opportunity to achieve best practices in the field of facilitation within aviation security, as well as to access information on new existing technologies through the exchange of experiences.

The objective of the aforementioned event is to develop professional capacities in the analysis and examination of the main issues that are present in the facilitation processes of international civil aviation. This forum is aimed at professionals, specialists and official working for the civil aviation administrations of the NAM/CAR/SAM regions, air operators, airports and other international organizations linked to civil aviation.

The Forum will be held in Spanish, with simultaneous interpretation services into English.

The agenda, venue information, detailed programme and general information will be sent as soon as possible.
