Passenger Traffic Recovery

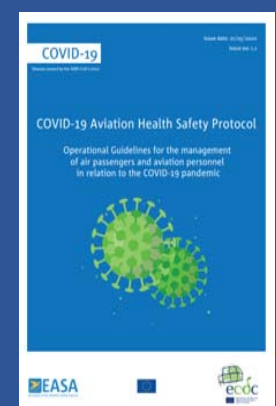

Recommendations

- Reestablish air transport / Reopen borders
- No quarantines – substitute with tests
- Technology is Key
- Airport support:
 - Delay concession payments
 - Review Capex programmes
 - Extend concessions
 - Reduce government taxes

Protocols

- Joint Position ACI & IATA
- Active participation OACI-CART
- Most airports have implemented CART

Airport Health Accreditation

- Align with CART, EASA and best international practice
- Supported by ICAO
- Subsidised for selected airports
