Ref.: NT-NE 57-3 — **E.OSG - NACC81262**

10 December 2019

To: States, Territories and International Organizations

Subject: **Invitation - ICAO Workshop on the new version of the Global Air Navigation Plan (GANP)**
(Mexico City, Mexico, from 17 to 21 February 2020)

Action

Required: 1) Send comments on the Workshop by **15 January 2020**
2) Register participants on-line by **10 February 2020**
3) Send presentations by **5 February 2020**

Sir/Madam,

In attention to Resolution A40-1 of the ICAO 40th Assembly held in October 2019, in which the States recognized the ICAO efforts to reach a secure and ordered development of civil aviation through cooperation of its Member States, International Organizations and the Industry, the ICAO NACC Regional Office identified the relevance of an efficient execution of the air navigation plans in the States and the development of a harmonized regional strategy based on the global air navigation development framework, in accordance with the Global Air Navigation Plan (GANP).

In consequence, an *ICAO Workshop on the new version of the Global Air Navigation Plan (GANP)* will be held in Mexico City, Mexico, from 17 to 20 February 2020 in order to align the regional objectives and work plans.

The objectives of the first day of the workshop are to familiarize the States with the new GANP version 6 and with the ASBU block implementation framework, and the interrelation with the ICAO Global Aviation Safety Plan (GASP) and the Global Aviation Security Plan (GASeP). Once this stage is finished, the following two days of the workshop will focus in aligning the activities of the regional Task Forces, part of the ANI/WG, to reach national and regional operative objectives and to define measurement mechanisms of the regional performance under the new GANP framework and development projects of the CAR/SAM Planning and Implementation Regional Group (GREPECAS).

This event is addressed to Air Navigation Services (ANS) project managers, technical and operative personnel that develop functions in the diverse air navigation service areas (AIM, AGA, ATM, CNS and MET), ANS service providers, and the rapporteurs and members of the different ANI/WG Task Forces that participate in the regional implementation groups. Furthermore, it is addressed to International Organizations and Industry.

.../2

The working languages of the events will be English and Spanish; interpretation services will be provided if enough participants of both languages are registered timely.

In this regard, your Administration is invited to:

- a) Send comments on the Workshop **attached** draft programme by **15 January 2020**
- b) Register participants on-line using the link <https://forms.gle/QiTT7KBeeWsufVso9> and by **10 February 2020**
- c) Send presentations for the workshop by **5 February 2020**

The list of suggested hotels and other useful information is available at https://www.icao.int/NACC/Pages/visitors_info.aspx. Participants are encouraged to make reservations directly with the hotel(s) in a timely manner.

Documentation for the event will be placed in <https://www.icao.int/NACC/Pages/meetings.aspx?year=2020&cM=11&cY=2019>. Please consider that presentations will be available only in electronic format and no hard copies will be distributed during these events.

If you require additional information please contact Mr. Luis Sanchez (lsanchez@icao.int), Regional Officer, Aeronautical Meteorology and Environment, Mrs. Mayda Ávila (mavila@icao.int), ICAO NACC Regional Officer, Communications, Navigation and Surveillance, or Mr. Gabriel Gutiérrez Serrato (ggutierrez@icao.int), Assistant.

Accept, Sir/Madam, the assurances of my highest consideration.

for
Melvin Cintron
Regional Director
