Subject: **POSTPONED – Workshop to Reduce Flight Plan Errors in the NAM/CAR Regions**
(Mexico City, Mexico, from 30 March to 3 April 2020)

Action

Required: **Take note**

Sir/Madam,

I refer to the invitation to the Workshop to Reduce Flight Plan Errors in the NAM/CAR Regions, sent through State Letter NT-N1-8.3.14, NT-NS2.35 — E.OSG - NACC81748, dated 5 February 2020 and to be held in Mexico City, Mexico, from 30 March to 3 April 2020. In this regard, please note that this event has been postponed.

This decision was made due to the Coronavirus (COVID-19) outbreak in some States of the region and based on the information by some of them to limit their experts traveling abroad.

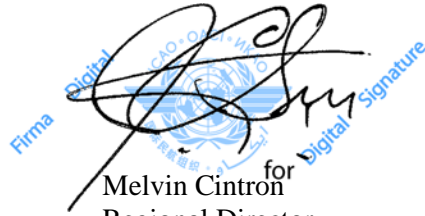

Although Mexico does not represent a risk, we understand that the participants increase the risk of infection when traveling.

For the ICAO NACC Regional Office this event is greatly important because it tries to solve a regional issue, and therefore the participation of all the stakeholders (States, airlines, air traffic control systems providers, etc.) is fundamental.

The event is postponed so assure the participation of all the parties involved on flight plan management and in the automation process of Air Traffic Services Inter-facility Data Communication (AIDC). New dates will be informed as soon as possible.

Accept, Sir/Madam, the assurances of my highest consideration.

for
Melvin Cintron
Regional Director
North American, Central American and
Caribbean (NACC) Regional Office
