2nd Meeting of the Regional Airspace Optimization Team (CARART02) Online, 18 November 2021

Agenda Item 3 WALKY Request

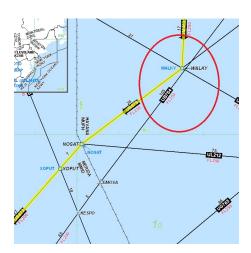

WALKY INTERSECTION PROPOSAL

(Presented by CADENA)

EXECUTIVE SUMMARY	
CADENA will present a request for a route adjustment at WALKY intersection	
requested by the airlines.	
Action:	Under paragraph 2.
Strategic	Air Navigation Capacity and Efficiency
Objectives:	

1. Discussion

1.1 WALKY intersection is located in the Gulf of Mexico. UB764 is very close, but does not pass through WALKY. The proposal is to move the airway slightly west to pass over WALKY and provide more options for the users.

2. Action by the Meeting

2.1 The Meeting is encouraged to observe this proposals, to offer input if required. and to see if any other similar situations like this exist.
