## Resource Mobilization

- ✈ All the approved assistance projects managed by the NACC Regional Office are listed in the Platform and many have already been total or partially funded by donors.
  
- ✈ It is essential for the success of the platform (thus for obtaining funds) that:
  - ✈ Recipient/beneficiary States express interest in and commitment to the listed projects
  - ✈ Donors can identify the commitment of recipient/beneficiary States

# Resource Mobilization

## The Resource Mobilization Platform is accessible to all ICAO Council States at:

<https://oaci.sharepoint.com/sites/SPCPSite/ResourceMobilization/SitePages/Home.aspx>

The Platform has several projects (connected with ICAO Strategic Objectives) waiting for funding
