

**Mr. José Ignacio Rodríguez**  
Sales Director Spain & LATAM en EHang

**Mr. Jose Rodriguez (M)** is Sales Director of Ehang Spain & LATAM, global leader in Urban Air Mobility and autonomous aerial vehicles and NASDAQ listed. RPAS pilot and Program Manager for projects involving UAM-AAM, UTM, UAS and ATM and Airports.

Jose is specialized in UAM and ATM with education in Telecommunications Engineering, MS in "Automatics, Robotics and Telematics" at University of Seville in 2006.

He has worked in Defence projects (Indra Sistemas) and as Project Manager and Sales Director in ATM and AIM Industry in companies such as Indra ATM (Madrid) and Indra Avitech (Germany). He has a polyvalent role with strong expertise in Testing, System Engineering, Safety/SW Quality Assurance, Project Management (PMP and ITIL V3 Certified) and commercial roles. He was appointed as Sales Manager of Indra Avitech where he was developing business in over 60 countries and managing over 20 projects while improving the marketing reach (e.g. WATMC and IFAIMA conferences, technical articles for ATM magazines). He was later working at EVERIS Aerospace as Director of Air Traffic and Airports, managing 25 resources and several projects with Eurocontrol and SESAR. In Everis, we were awarded AMU-LED with EHang 216 air taxi flights in three European cities.
