Subject: **Invitation – Second MEVA III REDDIG II Interconnection Coordination Meeting (MIII-RII/INTERCON/02) and Follow-up meeting on the status of development of the Caribbean Air Navigation Services Network (CANSNET) project**  
Lima, Perú, 5 and 6 May 2022

Action

Required: a) Inclusion by the MEVA Members of additional issues to the Draft Agenda no later than **17 April 2022**  
b) Delivery of documentation within the deadlines mentioned in this letter  
c) Register participants no later than **25 April 2022**

Sir/Madam:

In order to continue with successful coordination to maintain the interconnection of the Improvements to the ATS Voice Link (MEVA) III and the South American Digital Network (REDDIG) II, your Administration/Organization is invited to participate in the Second MEVA III – REDDIG II Interconnection Coordination Meeting (MIII-RII/INTERCON /02), which will be held in the city of Lima, Peru, 5 and 6 May 2022, and to the Follow-up meeting on the status of development of the CANSNET project.

.../2

The MIII-RII/INTERCON/02 Meeting will review and update the existing MEVA II-REDDIG interconnection agreements and coordination matters, in order to include the necessary changes due to the implementation of a new proposal put forward by the SAM States and presented in an Informative Note of the GREPECAS/19 Meeting, which can be accessed at the following link:

<https://www.icao.int/NACC/Documents/Meetings/2021/GRP19/GREPECAS19-NI14.pdf>

The attendance of all MEVA Members involved in the Interconnection with the REDDIG II Network, the REDDIG members and the REDDIG II Administration is expected. In the case of MEVA, the participation of all members is expected, however, due to travel restrictions due to COVID-19, minimum participation is expected from Aruba, Cuba, Curaçao, Dominican Republic, Jamaica, Panama, United States and COCESNA, due to the issues to be discussed between the REDDIG-MEVA coordination and the work of the Caribbean Air Navigation Services Network (CANSNET) project. The working languages of the Meeting will be English and Spanish.

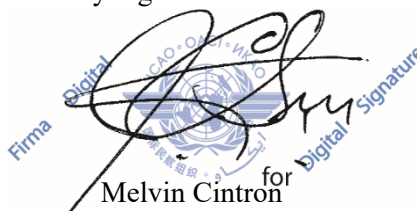

Take note that immediately after the end of the Second MEVA III REDDIG II Interconnection Coordination Meeting (MIII-RII/INTERCON/02), on Day 2 the Follow-up meeting on the status of development of the Caribbean Air Navigation Services Network (CANSNET) project will begin, to which only MEVA members are invited. During this meeting, the draft of the document Request of Proposal (RoP) will be reviewed, the activities of the States will be defined and the next activities will be coordinated.

The Draft Agenda for the aforementioned meetings is presented in **Attachment A** and the Provisional Schedule in **Attachment B**. Members wishing to submit proposals for the inclusion of additional issues must do so no later than **17 April 2022**. Please complete and e-mail the registration form in **Attachment C** for each participant by 25 April 2022.

The documentation will be published in due time on the event website: [https://www.icao.int/NACC/Pages/ES/meetings\\_ES.aspx?year=2022&cM=03&cY=2022](https://www.icao.int/NACC/Pages/ES/meetings_ES.aspx?year=2022&cM=03&cY=2022) and will not be distributed during the event, being desirable that delegates carry it with them printed or by electronic means. Likewise, in the event that your Administration wishes to present working or information notes, I would greatly appreciate sending them before **25 April 2022**, in the two working languages (**Attachments D-F**).

For additional information, please contact Ms. Mayda Ávila ([mavila@icao.int](mailto:mavila@icao.int)), Regional Officer, Communications, Navigation and Surveillance (CNS) of the ICAO NACC Regional Office, and/or Mr. Gabriel Gutiérrez ([ggutierrez@icao.int](mailto:ggutierrez@icao.int)), Assistant.

Accept, Sir/Madam, the assurances of my highest consideration.
