3 May 2021

Subject: Virtual workshop on PBN Airspace Design, 31 May – 4 June 2021.

Action required: Confirm your participation not later than 24 May 2021

Sir/Madam,

I have the honour to inform you that a virtual workshop on Airspace design based on the Performance-Based Navigation (PBN) concept will be conducted for the benefit of States, from 31st May to 4 June 2021, from 08:00 to 12:30 UTC.

The purpose of this workshop, organised by the African Flight Procedure Programme (AFPP), is to assist States and Air Navigation Service Providers (ANSPs) in developing expertise in airspace design. It will provide participants with best practices from the PBN Manual (Doc 9613), the Manual on the use of PBN in Airspace design (Doc 9992), the Continuous Descent Operations (CDO) Manual (Doc 9931) and the Continuous Climb Operations (CCO) Manual (Doc 9993).

The workshop is intended for personnel with experience in the implementation of PBN, who are involved in PBN Airspace design including CCO/CDO trajectories such as air traffic controllers, airspace designers, flight procedure designers or ATM personnel familiar with airspace operations.

Activities will be conducted in English as per the attached Agenda, and the documentation will be posted on <https://www.icao.int/WACAF/African-FPP/Pages/PBN-ADW.aspx>

The workshop is free of charge for AFPP Active Participative Members (APM). Any other State interested in participating, will be considered with a payment of 1,000 USD fees per participant.

You are therefore kindly invited to register online at your earliest convenience, preferably **not later than 24 May 2021** at <https://icao.zoom.us/meeting/register/tJEqdOipqTMvEtTSEplEKRIwNvzUwZWkSWdr>

Please accept, Sir/Madam, the assurances of my highest consideration.

For / Prosper Zo'o Minto'o
Regional Director
