PILOT RVSM TRAINING GUIDANCE MATERIAL

(Presented by: ARMA)

SUMMARY
This Working Paper Presents the Amendments to the Pilot RVSM Training Guidance Material

1. INTRODUCTION

1.1 Prior to the implementation of RVSM with the assistance of IFALPA a Power Point Presentation was developed titled Pilot RVSM Training Guidance Material approved at Task Force 13 during September 2007. The material has been submitted to IFALPA for review and updating.

2. DISCUSSION

2.1 IFALPA has responded and indeed there are certain amendments that will need to be brought about to keep the presentation current. Initial indications are that the contingency will be amended.

2.2 The final version will be presented to the meeting in the form of a Power Point Presentation for approval of the amendments which are not currently available due to the high work load of the author.

2.3 The approved version will be circulated as required and place on the applicable webpages.

3. ACTION BY THE MEETING

3.1 The meeting is requested to:

- Take general note of the content of the WP and subsequent Power Point Presentation
- Approve the amendments to the Pilot RVSM Training Guidance Material.
