PROBLEMES RENCONTRES(4)

Les données des aérodromes nouvellement programmés dans les nouveaux bulletins ne sont pas diffusées au niveau du SADIS (CMPZ de Londres).

CONCLUSION

La réunion est invitée à :

- Prendre connaissance des informations présentées ;
- Sensibiliser les aérodromes et stations météo à élaborer régulièrement leur OPMET et à les faire parvenir dans les délais au NOC et/ou au BCC de Rattachement ;
- Définir les dispositions à prendre pour la déclaration des nouveaux bulletins au niveau de l'OMM en vue de leur insertion au volume C1;
- Définir les actions à mener pour que les données OPMET définies par ces nouveaux bulletins, soient diffusées au niveau du SADIS.
