

UNFCCC COP 26 Glasgow, UK

Programme Transport Action Event "Zero Carbon Transitions: Ambitions and Actions in the Transport Sector"

Marrakech Partnership for Global Climate Action

Wednesday, 10 November 2021 13:00 – 15:45 GMT Action Room 1, Hydro

Organised by the MPGCA Transport Thematic Group and the HIgh-level Champions Team

Date: Zero Carbon Transitions: Ambitions and Actions in the Transport Sector Wednesday,100 13:00-13:40 13:00-13:40 Opening Session: Enhancing Ambitions and Actions in the Transport Sector The opening session will provide an opportunity for governments, international organisations and the private sector to share their high level decarbonising transport plans, tools, existing initiatives and the way forward. Format: High Level Panel Discussion Moderator: Peter Campbell, Financial Times Suggested Speakers • Johan Rockström, Professor and Joint Director, Potsdam Institute for Climate Impact Research • Trudy Harrison, Minister, Minister, Minister, Minister, Minister, Johan Rockström, Professor and Joint Director, Potsdam Institute for Climate Impact Research • Young Tae Kim, Secretary General, ITF • Ignacio S. Galán, Chairman and CEO, Iberdrola • Warren East, CEO, Rolls Royce • Warren East, CEO, Rolls Royce 13:40-14:15 SESSION 1: Unlocking the transition to zero emission mobility This session focuses on the mobility system outside of the Global North and Western Europe specifically, where two and three wheelers, as well as public transport, play a significant part in the mobility system. Understanding that mobility and transport priorities are different in different parts of the world is key to ensuring a swift and just transition globally. Format: Panel Discussion Moderator: Heather Thompson, CEO, ITDP Suggested Speakers • Hanna Zdanowsk	Programme	
November Time: 13:00- 15:45 GTM 13:00-13:40 Opening Session: Enhancing Ambitions and Actions in the Transport Sector The opening session will provide an opportunity for governments, international organisations and the private sector to share their high level decarbonising transport plans, tools, existing initiatives and the way forward. Programme

	national or local transport, infrastructure and climate change strategies to support
	greater resiliency and sustainability in land, maritime and aviation transport.
	Format: Panel Discussion
	Moderator: Stientje van Veldhoven, Vice President and Regional Director for Europe,
	WRI
	Suggested Speakers
	• Juan Carlos Salazar, Secretary General, ICAO
	• Francois Davenne, Director General, UIC
	Bronwen Thornton, CEO, Walk21
	Regina Asariotis, Chief, Policy and Legislation Section, UNCTAD
	Eszter Tóth-Weedon, Director, Smart Freight Centre
14:55-15:30	SESSION 3: The Just Transition to Transport Equity and Equality
14.33-13.30	Session 3. The sust transition to transport Equity and Equality
	The race to decarbonise the transport sector needs to be coupled with an inclusive and
	just transition and not leave anyone behind. A just transition for workers in the
	existing transport sector and of the future will need to receive decent pay, conditions
	and employment stability. Transport workers would also need to have the knowledge,
	skills and experience to design and staff transport services of the future. This session
	will focus on existing standards and initiatives that will ensure a just transport
	transition as the sector continues to evolve.
	Format: Panel Discussion
	Moderator: Sheila Watson, Deputy Director, FIA Foundation
	Suggested Speakers:
	• Steve Cotton , General Secretary, International Transport Workers Federation
	Guy Platten, Secretary General, International Chamber of Shipping
	Cecile Texier, Sustainability & CSR Vice President, Alstom
	 Gustavo Rinaldi, Environmental Impact Director, Ministry of Transport,
	Argentina
15:30-15:45	CLOSING SESSION: Moving Forward to COP27
15:30-15:45	
	The closing session will identify the way forward to COP27 and the key priority actions
	required to decarbonise the transport sector. High level champion Gonzalo Muñoz will
	launch the Transition Playbook for Electromobility. Synergies across land, maritime
	and aviation transport will also be highlighted.
	and aviation transport will also be inginigrited.
	Format: Fire-side chat
	Moderator: Maruxa Cardama, Secretary General, SLOCAT
	Suggested Speakers:
	Dagmawit Moges Bekele, Minister, Ministry of Transport, Ethiopia
	Mohamed Hegazy, Director, Transport for Cairo L.L.P.
	Gonzalo Muñoz, High Level Champion
	Mederator Clasing remarks (2 min)
