

GLOBAL AVIATION SAFETY ROADMAP WORKSHOP MAPUTO, MOZAMBIQUE 2 – 4 DECEMBER 2008

APPENDIX A

Purpose of the Workshop:

- Familiarize the participants with the Global Aviation Safety Roadmap Workshop, GASR, and clearly identify the roles of each sector of the aviation industry in relation to the implementation of a harmonized and consistent safety plan globally;
- Determine the steps necessary to implement the Regional Plan for Aviation Safety in Africa as endorsed by the ICAO Assembly in September 2007; incorporating GASR and GASP within the participating States.

Participants:

- ICAO, Member States, Airlines, Airports, Aviation Meteorologists, Air Navigation Services / Air Traffic Control Organizations, ISSG Members, Pilots, Mechanics, Regional Organizations, Public and Private Sector, Observers.

Outcome:

- Participants completely familiarize themselves with the GASR, including their roles, and;
- Determination of the steps for developing a course of action that will incorporate the GASR in the regional action plan;
- Conduct of GASP based gap-analysis by the ICAO AFI Comprehensive Implementation Programme (ACIP) of participating States in 2009 as a follow-up to the workshop with the aim of prioritizing action projects to enhance safety.
