

### NGAP Project Description

<b>Project Title</b>	Basic global on-line aviation educational awareness tool			
<b>Project Lead</b>	ICAO			
<b>Project Objectives, Description and Outcome</b>	The objective of the tool will be to make younger students world-wide aware of all the different career opportunities available in civil aviation. A short description and education requirement for each career path will bring awareness amongst students that will span all the aviation fields, as well as those related to the airline industry. Such a tool will bring awareness and assist in career planning.			
<b>Project Contributors</b>	ICAO, IATA, IFATCA, IFATSEA, FAA etc.			
<b>Expert Human Resources Required</b>	Course developers, Instructors, General aviation professionals to develop material, IT specialists to develop the tool that could be linked to the CAA Web pages world-wide			
<b>Estimated Financial Budget Required</b>	12 months 1 meeting			
<b>Sources for Project Resources</b>	ICAO, IATA, FAA, IFATCA, IFATSEA, Eurocontrol and others			
<b>Project Schedule</b>	<b>Project Activities, Tasks and Deliverables</b>	<b>Responsibility</b>	<b>Start Dates</b>	<b>Completion Dates</b>
