

Laura Camastra

Dr. Laura Camastra is a Programme Implementation Officer at the International Civil Aviation Organization (ICAO), Global Aviation Training (GAT). She is responsible for the development and implementation of partnerships with international organizations, higher education institutions, and industry stakeholders on aviation-related training programmes under the TRAINAIR PLUS Programme. Prior to joining ICAO Dr. Camastra served as head of the International Technical Co-operation Unit at the Italian National Institute of Statistics (ISTAT), where she was responsible for the establishment of partnerships on international cooperation, and for the design and management of capacity-building projects funded by the European Commission and other main international donors.
